FINANCE BOARD SEEKS RULING | Brother Duo Sent ON SALARY FOR BATEMAN

The State Finance Commission Monday questioned whether Dr. E. Allen Bateman, newly appointed acting state superintendent of public instruction, could draw his salary for the period Aug 14 through Sept. 7. The latter is date of his appointment.

In a letter to Atty. Gen. Clinton D. Vernon, the commission asked for clarification of a recent opinion which held that Dr. Bateman's elective tenure was cut off when the Legislature implemented constitutional amendments approved in November, 1950.

The law providing for the appointment rather than election of state superintendents became effective Aug. 14.

The State Board of Education, however, did not act at that time because Mr. Vernon did not issue a ruling on the subject until Sept. 7.
