Two Provo Boys Captured After Wild Auto Ride

SALT LAKE CITY, Jan. 7 (U.P.)—Nineteen-year-old Kenneth Smith and his 17-year-old brother Eugene, both of Provo, Springville road, were held in Salt Lake City jail today while authorities investigated activities of the youths preparatory to filing car theft charges against the pair.

The Smith brothers were arrested last night by Salt Lake City police after a 15-block, 75-mile-an-hour chase from the city limits to the downtown area that ended when the youths piled out of their car after officers had fired three shots at them.

Authorities said the machine which the boys were driving during the spectacular chase had been stolen from J. P. Gibbons of Salt Lake City a few hours before the arrests. Earlier in the day the two had stolen a car, belonging to Eldon Ramsey, 1255 West Eighth South street, Provo, from in front of a downtown business firm in Provo and had driven to Salt Lake.

Police said the two youths confessed to stealing the Gibbons machine, parked at 105 North Third West, then drove both cars to within a half mile of the Salt Lake airport where they left the Provo car after stripping it of its radio and some accessories.
Radio Patrolman D. F. Johnson and Clarence T. Smith were cruising near the airport when they suspected the youths and began following them into Salt Lake City. After a confession, the officers returned and recovered the Provo car.

CZECH TROOPS NEAR BORDER

BUDAPEST, Hungary, Jan. 7 (U.P.)—New Czech troop movements were reported to be visible today in the vicinity of the border city of Munkacs, where a grave clash occurred yesterday between Hungarians and Czechs.

The movements were observed especially near the Ruthenian Monastery of Klastromalja. Reports said the Czechs had assembled wooden scaffolds which seemed intended for construction of a bridge across the river Laborcz. Villagers of Varkulosa also reported observing Czechs on the march.
Another border incident was revealed by an official announcement that three were wounded in the village of Konaron Csehi yesterday in a clash between gendarmes and a crowd. The announcement laid the latter incident to "Czech propaganda" in the newly-won Hungarian territory which also led to the attack on Munkacs.
